Summary of discussion.—A large portion of the Channagiri Taluk lying around the Sulekere tank is unhealthy. To afford some relief to the suffering population, the Hospital Assistant at Channagiri visits this place once a week. But as this cannot go far to relieve the sufferings of the people in these parts, it is prayed that a hospital may be opened here permanently.

Reply of Government.—There is a Vaidyasala at Basvapatna. It will be considered whether it may be transferred to Sulekere.
